Hello Amanda,

It was a pleasure to speak with you earlier today.

So as we discussed on the phone, I am the Program Manager in charge of the Byzantine Latino Quarter Business Improvement District <http://blqbid.org/main/> and I wanted to request some assistance from the Harvard Heights HPOZ for the Plaza de Musica project that we are currently working on.

The BLQ BID maintains the Pico/Normandie Transit Plaza <https://goo.gl/maps/P67QS72t3Ds> and we are seeking the necessary letter of community support to demonstrate to LA Council District 10 that there is support for the project as well as including the letters to our "Adopt a Median" application which will be submitted to the City of LA Office of Beatification. The BID would install and maintain a set of interactive musical elements in the plaza as a way to improve and enhance the plaza as a social and community space on the BID.

How do you recommend we start the process? Does the HPOZ have a formalized procedure for these request and if so where should I begin?

I Have attached a conceptual rendering of the installation for your review and we like to start the process of getting a letter from the HPOZ. Funding for the installation will be provided by a grant by Kaboom! with support from Mayor Garcetti's office. I am available to attend any meeting or hearing that may be require in order to help facilitate the approval process.

If you have any question please feel free to reach out to me via the contact methods provided below.

Sincerely,

Letter of support process

Moises Gomez
